OHIO & AIRFASCO MASK MANDATE

Starting Friday, the following mask mandate will be in effect.

- Masks do not have to be worn at the work stations when they are more than 6 feet apart.
- Masks are to be worn walking to and from areas including the rest rooms.
- Masks must be worn if 2 or more people are working together.
- Masks must be worn if loitering.
- Please report to management or myself directly if we have any workers having difficulty following this request.

I understand out of habit this mandate can be difficult. I am asking for everybody's help to comply with our Governors request mandating this policy in effect at 6:00 PM today.

**PLEASE DO YOUR PART IN KEEPING YOURSELF AND
COWORKERS HEALTHY & COVID-19 FREE!**

Thank you again for everybody's help.
